Downsides	data-only (no calling or SMS)	Often on the expensive side	Need to register your flight in advance for lounge access	No unlimited option, so more data management required.	Customer service communication was meh.	Notoriously unreliable for refunds & generally poor customer service	Fewer regional package options (No Africa, no global)	New users often complain about struggles with activation	Some users report slower speeds in rural areas compared to other eSIMs	Some users say service aboard cruise ships is spotty.	No Trustpilot ratings (and I haven't tried it myself yet)	Limited customer service hours	Limited options for virtual phone numbers
